Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to giving top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually offers fresh design ideas as shown in their product development. They enjoy providing items which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of employees likes new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' needs and skills along with their understanding of cleaning applications, along with owners' strong desire to significantly reduce cost through productivity gains.

The staffs at TREK and their dealer-partners are really devoted to having both technical support and parts accessible when it is needed. Their high service dedication is one of the core values in their customer service. Keeping their clients' cleaning machinery ready and functioning daily is top priority. The company's top of the line technology delivers dependable machine which eventually lowers your cost of cleaning. The product, the price and the service all work together so as to make them the leader in the industry.
